Our system embraces fifty-three thousand acres of fine cultivated land in the heart of the Uintah Basin

George M. Bacon  
State Engineer  
Salt Lake City, Utah

Dear Sir:

I am asked by H. L. Allred, the Chairman of the Executive Committee of the Associate Users of the Uintah, Whiterocks, & Lakefork Rivers, to acknowledge your favor advising that a man will be out from Washington D. C. with authority to represent the United States Indian Irrigation Service Dept, in arranging for a satisfactory solution of the Commissioner matter.

Mr. Allred has called a meeting of the Executive Committee to be held at Roosevelt Saturday March, 14 at 2 o'clock P. M. Any helpful suggestions you can give for the meeting will be greatly appreciated.

We are not advised whether the gentleman from Washington D. C. will come to the Basin for Conference or to Salt Lake City. If you receive any advance advise that it will be necessary that the Committee go to Salt Lake City, please advise us.

Yours very truly

Secretary of the Executive Committee

LG/AP
